

SUSTAINABILITY AT OUR HOTEL

Caring for the planet is a natural extension of Hyatt's purpose — to care for people so they can be their best.
At Hyatt Regency Portland at the Oregon Convention Center, we are dedicated to sustainability and are committed to making a difference through our daily processes. To learn more about Hyatt's sustainability efforts, [click here](#).

OVERVIEW

- Gold LEED certification
- BIKETOWN bike-share system
- Light Rail train with easy access to the Airport and Downtown Portland
- Electric car recharging stations in the adjacent parking garage

CLIMATE CHANGE & WATER

- Use of LED lighting, photocells, motion sensors, and scheduled timers in guest rooms, public areas, meeting space, and offices
- Linen-less tables used in banquets.
- Daily operational reports are used to effectively schedule heating and cooling needs
- Through the Conserve program, linens are changed every third day unless requested otherwise, and guests may choose to reuse towels by leaving them hanging
- Guest room shower heads have a 1.5gpm max flow rate. Guest room sink aerators have a 1.0gpm max flow rate, Guest room toilets have a 2.0gpm max flow
- Lights are turned on in meeting rooms only when needed

WASTE & CIRCULARITY

- Leftover edibles donated to local non-profits
- Water served using carafes is the default offering for meetings and events
- Water bottle refill machines on every third guestroom floor, in our meeting space, and the Market
- Mobile Entry is available through the World of Hyatt app to eliminate the number of plastic keycards handed out
- Guest room bulk amenities — shampoo, conditioner, and body wash.
- Reporting offered through the Planner Portal, reducing the need to print
- Biodegradable food service items are used for Restaurant To-Go orders and in the Market

RESPONSIBLE SOURCING

- Hyatt's Food. Thoughtfully Sourced. Carefully Served. philosophy guides us in how we select ingredients that are better for people, communities, and the planet.
- Cage-free eggs are utilized in our restaurants
 - Fairtrade certified coffee.
 - Seafood is sustainably purchased from responsible sources
 - Beef is all-natural and grass-fed
 - Plant based & plant forward menu items are offered in our restaurants and for events
